

Montreux Jazz Festival
CLUB
MILLENNIUM

Privileged Jewel of the Millennium, the very essence of refinement and luxury.

Le Club is a unique 450 m² venue at the cutting edge of technology for hosting memorable corporate events. This versatile space allows for concerts, shows, cocktails, soirées, professional events, TV production studios, and much more.

Exceptional space

A 5-star service for your events!

A spacious entertainment area designed to provide maximum comfort and freedom. The sumptuous lounge areas, arranged as salons, encourage networking and relaxation. The deep crimson leather furniture underscores the sophistication and elegance.

The dedicated reception area, VIP lounges, stunning bars, adjoining kitchen, dressing rooms, and the 45 m² stage make it a magical venue for an artistic performance, concert, product launch, or conference.

Configurations & capacity

Perfectly adaptable, Le Club can comfortably accommodate up to 250 people and can be tailored to the specific requirements of your event. Several configurations are possible:

Theater	Cabaret	Classroom	U shape	Boardroom
100	48	60	40	30

Standing concert	Seated concert	Cocktail	Diner	Fashion show
250	100	120	50	100

VIP Lounges

The mezzanine can be privatized and offers a breathtaking view of the stage. This exclusive space consists of two distinct areas, each capable of hosting up to 30 people and equipped with its own bar for the ultimate VIP experience.

Exclusive Artist Dressing Rooms

Two spacious 4-person dressing rooms, each with an individual bathroom and a 43" screen with video and audio feedback, are available for the comfort and well-being of presenters and artists.

Cutting-edge technologies

Millennium offers the best in technology in its event spaces. The rooms are equipped with high-end sound, video, and lighting equipment for the success of your event.

Unique Kinetic Lighting System in Switzerland!

Le Club's lighting effects allow you to customize your event by creating unique and thematic atmospheres.

Le Club's ceiling is equipped with mobile spheres that can create complex and synchronized lighting sequences with the music. Imagine artistic light in motion!

Integrated
Technical Equipment

A large stage with a choice of 26 m² or 40 m² is equipped with top-notch sound, lighting, and video distribution facilities. It covers demanding needs for conferences, shows, and TV productions. Le Club ensures an exceptional audiovisual experience.

A technical control room with a DJ booth is available. Our audiovisual team is at your side to provide technical assistance before, during, and after your event.
