

LA SCENE
MILLENNIUM

An exceptional auditorium for your professional and cultural events.

As a technological emblem of the Millennium, la Scène offers a prestigious setting and state-of-the-art integrated equipment unique in Switzerland. This 500 m² auditorium is designed to host congresses, conferences, shows, concerts, and video productions.

Cutting-edge technologies

Innovation at the heart of audiovisual technologies

La Scène is the ideal venue for congresses, conferences, corporate events, video productions, concerts and live performances.

This auditorium incorporates the very best in sound and video broadcasting technology, offering exceptional quality and the ability to create striking lighting atmospheres. There's no limit to the creativity you can bring to the staging of your events.

The Scène is also remarkably flexible in terms of display, so it can be adapted to your needs. It features a 16:9 format video projector and a spectacular high-resolution LED screen for optimum visual quality.

Exceptional space

An immersive experience for unique events.

La Scène is a true space for creation and innovation where your ideas come to life.

Thanks to its cutting-edge audiovisual technologies, a 120 m² stage area, and dual audiovisual control rooms, La Scène enables the creation of unique and fully customizable immersive experiences.

Participants are immersed in an environment where every auditory and visual detail is amplified to create maximum impact.

From design to execution, our audiovisual team is by your side to provide high-quality technical support.

Capacity and flexibility

La Scène has a seating capacity of nearly 500. Its spacious leather chairs, equipped with USB-C ports and power outlets, offer exceptional comfort. The stage area and its motorized podiums allow for multiple scenography configurations to meet the specific requirements of your event.

SQ Meters	Bleachers	Balcony	Dressing Rooms	Stage area
800 m²	391	87	5	120 m²

Multiple Scenography Options

Transform and energy your events with our custom equipment: 7 independently motorized, height-adjustable podiums, an adjustable motorized LED screen, and a curtain or kabuki for a more theatrical touch.

Exclusive artist Dressing rooms

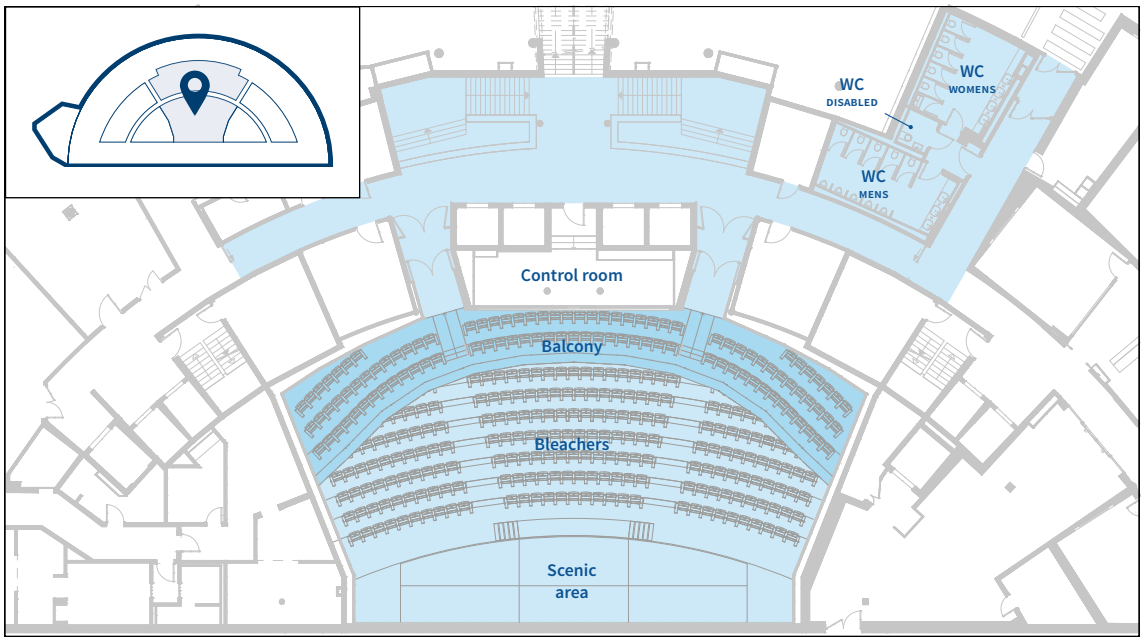

Five spacious 70 m² artist dressing rooms with individual bathrooms are available for the comfort of presenters and artists. Equipped with screens with video and audio feedback, the dressing rooms are connected to the stage through relaxation areas.
