

MILLENNIUM EVENTS

THEATER, BALLROOM, CONFERENCES CENTER & CLUB

THEATER

The Millennium' technological pearl has 500 seats and benefits from a technical equipment with a unique level of integration in Switzerland.

Comfort and versatility were our main concerns when it was created. The Theater is made to accommodate corporate presentations, artistic shows and video diffusion.

CONFERENCES CENTER

With more than 1000 square meters of meeting rooms from 50 to 150 square meters, we provide two specific atmospheres.

Located at the 6th floor, 5 premium executive rooms with outstanding view over lake and mountains offers comfortable space for meeting and catering including access on private terrace.

In the main conferences area, 8 business rooms with natural light and all latest technological equipment included your benefit from a place dedicated to efficiency.

CLUB

The Club is the perfect venue for an unforgettable event. Private parties, celebrations or corporate meetings and dinners, you will give a modern touch at your gathering.

We provide fully equipped space with lighting, sound and video production. You can easily manage your after-work, comedy show or any promotional event. For any kind of event, the Club is the best solution.

- > LARGE LED SCREENS
- > MEYERSOUND SOUND SYSTEM
- > AVAILABLE STAGE FOR VIDEO PRODUCTION, STREAMING OR RECORDING
